

# BAND-IT® Band & Buckle

## Type 201 & 316 Stainless Steel

This is the standard choice of BAND-IT® products, offering very high strength, clean appearance and good resistance to oxidation and weathering. This non-magnetic material is the choice for municipal and industrial markets. 316 provides superior corrosion resistance in salt mist / chemical environments.

**BAND-IT® Band** 201 & 316 Stainless Steel • With Easy-Scale  
100 Ft. per roll (30.5m)

PART NUMBER 201 SS	PART NUMBER 316 SS	WIDTH		THICKNESS		WEIGHT
