

Oetiker Mini Worm Drive (MINI-WD)

Mini Worm Drive Hose Clamp 5mm wide - 304SS

Description

Oetiker Mini Worm Drive Clips are manufactured in 304 Stainless steel and its compact design means that the space requirements are minimal. These clips are ideal for fitting into applications where space is at a premium.

The Mini worm drive clip features a cylindrical screw head which enables fast, simple and safe installation. In addition the clamp has an embossed band strip which reduces the risk of damage to the part being clamped.
