

Preformed Clamp (PC)

Stainless Steel Preformed Clamps

Preformed Band Clamps offer a smooth inner diameter and provide the highest strength capability. Manufactured in Italy they cover a wide range of fixed diameters and made from 301 Stainless Steel. Vibration resistant and automatically locked with one simple lever movement.

These clamps are ideal where superior strength is required. Preformed Band Clamps require both the Metal Banding Tool (MT-MB-01) and the Tool Adapter (MT-MB-02) for installation.

PRODUCT INFORMATION

RoHS Compliant:	Yes
Hazardous Goods:	No
HS Tariff Code:	7326 90 92

MATERIAL INFORMATION

Clamp:	201 Stainless Steel
